Vivli's COVID-19 Portal

- Provides a dedicated search function
- Availability of fast-tracked review and sharing
- Waiver of all fees to share, archive, access, and analyze COVID-19 trials
- Waiver of anonymization fees through key Vivli partners

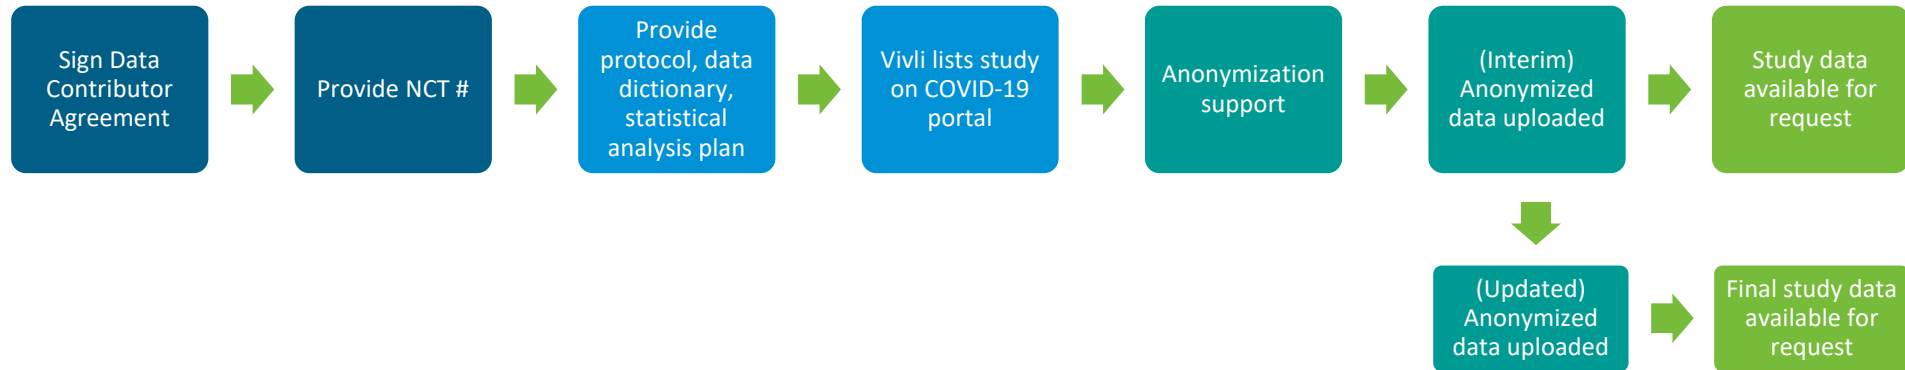

“d-wise is proud to play its part to accelerate the sharing ecosystem in the fight against COVID-19.”

Stephen Baker, d-wise

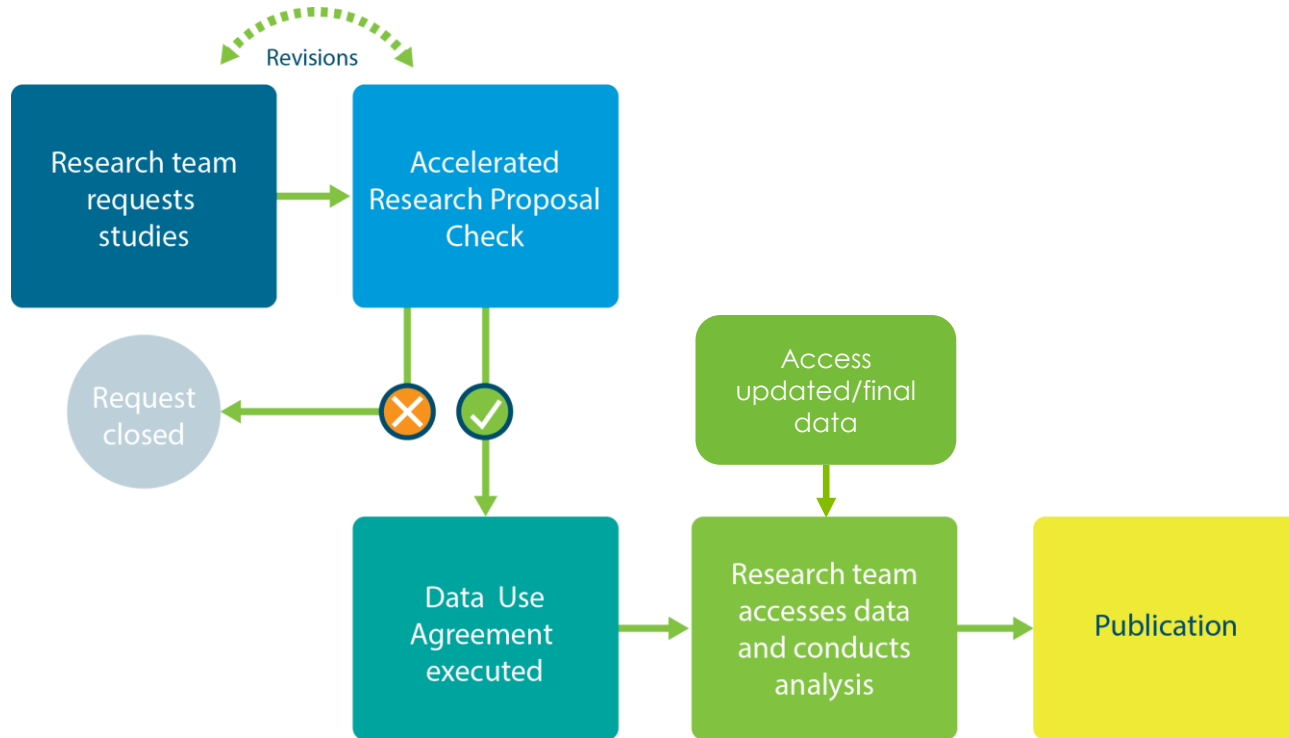

Privacy Analytics will waive fees to anonymize COVID-19 vaccine and pivotal drug trials for a limited time to accelerate COVID-19 response*

*Data to be provided in specified SDTM format, waivers may be granted in exceptional cases

What is the process to share COVID-19 trials?

What is the process to request COVID-19 trials?

Share Now, Pool IPD, Beat COVID-19!

Vivli enables data from multiple sources to be combined securely to more rapidly advance COVID-19 knowledge

Given the urgency of the global pandemic, we will support sharing of some interim participant-level data followed by the final dataset

Vivli available for sharing both observational and interventional studies

Fee waiver and support for anonymization lowers barriers to sharing. Contact support@vivli.org
