How Vivli works

SEARCH

Search Vivli platform for information about available studies.

REQUEST

Request IPD Data sets.

Each Data Request will be **reviewed** according to contributors' publicly stated requirements.

ACCESS

Data from approved requests can be **accessed** in Vivli's secure research environment or **downloaded** with permission.

ANALYZE

Use robust **analytical tools** to combine and analyze multiple data sets.

DISSEMINATE

Completed **research results** will be assigned a DOI.

Researchers may use the Vivli platform to meet their **publication** requirements.
